Risk Factor/ 6. Adequate handwashing facilities supplied & Violation: accessible

Observation:
- A couple of front bar handsinks single-use paper towels were not in dispensers.

Corrective Action:
- Provide single-use dispensers for handsinks.
- Discussed with owner proper hand washing and glove use procedures.

- A site investigation was conducted for a complaint of uncooked chicken, patio structure in poor repair, and food employee's working sick. Specialist observed proper cooking temperatures and thermometer probes. The front patio was hit by a driver on 11/7/2021 but the owner has removed all the seating and customers are not allowed in the patio; patio will be remodeled as soon as they obtain City of San Diego corresponding agency. Specialist did not observed any employees working sick at time of the inspection. Reviewed with owner employee health and hygiene practices (including reporting of illness, hand washing, proper glove use, and hair restraints). Complaint was found to be not justified.
